

KEEP YOUR HOME **SECURE**

- > Fit and use **good quality locks** on doors and windows
- > Install a **burglar alarm**
- > Don't open your door to unexpected callers – **check their identity** first using a door viewer or a door chain
- > Always keep **keys in a safe place** away from windows and doors
- > **Lock away ladders, garden tools** and other items that burglars could use
- > Make your home **appear occupied** when out or away by using timer switches or leave your lights on
- > **Remember** – if you can get into your home without your keys – so could a burglar
